What is the AStA?

We are the **AStA** which stands for **Aligemeiner Student*innenausschuss** (the english translation is General Students Committee).

Based on the Lower Saxony Higher Education Act (Niedersächsisches Hochschulgesetz; NHG) we represent your interests with regard to social, cultural and (higher educational) political matters.

We organize cultural events like concerts, readings, parties, film screenings and theater performances, deal with political matters and take care of important services around and for your studies.

How is the AStA organized?

The **AStA** is part of the constituted student body and is elected by the Student Parliament (StuPa).

It consists of the speakers and a number of thematic units that are responsible for a variety of fields, such as politics or culture.

In addition, the **AStA** is responsible for a variety of service businesses.

The regular AStA meetings are held weekly on Wednesdays at 14:30 in the MuFuZi (C9.118). These meetings are open to all members of the student body and therefore all students are very welcome to attend!

In case of questions, problems and remarks the service desk at our office is a point of first contact and support (you can find the current opening hours on our website).

AStA plenum:

Wednesdays at 14:30, MuFuZi (C9.118)

Come by, we're looking forward to meeting you. Every student is warmly welcome!

What's that?

We help you wherever we can. You can repair your bike with a little assistance at **KonRad**, get support at **EliStu** if you are a student parent or planning on becoming one, or you can use the free counselling on questions regarding **BAFöG** (educational support), financing and legal issues. Furthermore, you can borrow things like tableware or a megaphone for your student event at the service desk in our office or sound equipment at **Ton6Licht**.

In addition, the AStA organizes the **SemesterTicket** valid in Lower Saxony and Bremen, as well as the **SemesterTicket Kultur** (culture pass) that provides free entrance to a great variety of cultural institutions and events in Lüneburg. Naturally, we gladly support you whenever you have questions about your rights as a student, for example about exams.

We also organize the yearly **Ersti-Party** (freshers' party) and the **AStA-Sommerfest** (AStA summer festival). In addition, there are always a lot of events about political topics, as well as movies, concerts, jam sessions, critical campus tours, radio shows and theater performances.

We are the interface between the students and the university: We are in contact with the presidium and the administration of the university, for example when trying to grant new freedoms for students. In this way we actively shape the campus, the university and the way of teaching.

How can you participate?

The AStA is always happy to welcome engaged students who want to organize, monitor and participate in happenings and processes on and around the campus. You have the opportunity to get involved as a volunteer in any unit at any time. Furthermore, every student is allowed to participate in the AStA plenum.

If you are interested in earning some money in our service businesses you can look out for vacant positions online on our job board.

Any additional questions? Don't hesitate and come by!

Where is the AStA?

Our office is in room C9.103. At the main campus: Universitätsallee 1, 21335 Lüneburg.
